

FSA 2021 Covid-19 related Information

This document is based on the Austrian Covid-19 regulations as of 2021-05-24
It will be updated if the regulations change.

FSA 2021 will be held without any restrictions on the number of team members.

All documents required during registration will be sent to the teams 1 week before the event at the latest.

Please be aware there are current travel restrictions to Austria and pre-travel clearance may be required. Please check with the official guidelines¹² as they are expected to change.

Before entering the event site (Red Bull Ring) or campsite, each team member must personally hand in the "COVID-19 participant declaration" as required by Red Bull Ring. Legal proof of identity is required. Also, each team member is required to hand in Covid-19 proof as defined below.

Upon entering the event site or campsite each participant must provide one of the following proofs:

- SARS-CoV-2 antigen test registered with any authorities (not older than 48h)
- Molecular biological test on SARS CoV-2 (PCR test not older than 72h)
- Medical confirmation of infection with SARS-CoV-2 in the past 6 months, confirmed by molecular biology
- Evidence of vaccination with a centrally approved vaccine against COVID-19 under the following conditions:
 - Initial vaccination before 2021-07-03, which must not be more than 3 months old
 - or Second vaccination, which must not be more than 9 months old
 - Vaccination before 2021-07-03, for vaccines for which only one vaccination is scheduled and not more than 9 months ago

This proof must be valid for the duration of the event (Read: you will be required to be tested during the event additionally) Detailed information will be provided before the event.

Wearing an FFP2 mask is mandatory at the event site, both indoor and outdoor.
